READ THE FOLLOWING: It affords me much pleasure to give you these few lines as a very sincere testimonial to the Plano Fortes of your manufacture. We have now used the "Patent Arion Planos" is our Conservatories for a year, and have had a fair opportunity of testing their durability during that time. The Planos have been played upon almost constantly, from mornin illi night, and a piano must indeed be a good one when it will bear constant uar withou showing signs of defection. As for remaining in tune, it outrivals any Plano known to From 9 a. m. to 10 a. m. Mowing Match on the Grounds.
